

Order No. 63/President/2020

In face of the context of pure exceptionality of the current pandemic situation caused by the new coronavirus SARS-CoV-2 (COVID-19) and the approval of the exceptional temporary policies by the Decree resulting from the declaration of state emergency made by the Decree of the President of the Republic No. 14-A / 2020, of March 18, I determine, until otherwise instructed, that all internships / clinical teaching / clinical education / practice education / clinical practice be suspended, except for those that can be carried out with use of digital media equivalent to telework and other situations duly analyzed and authorized by the Director of the respective Organic Unit.
