

President Order 78/Presidente/2020
Orientations for the gradual and progressive return to on-site activities at the
Polytechnic Institute of Setúbal

Having into consideration:

- (...)

- That the gradual and progressive reopening of IPS campuses shall be established in accordance with IPS Contingency Plan's last version, in close cooperation with the Health Authorities, IPS Schools, Central Services, Welfare Services (SAS) and Academic Association (AAIPS), depending on the safeguarding of health and safety conditions and standards;

I determine that:

1. (...)

2. (...)

3. (...)

4. (...)

5. (...)

6. (...)

7. (...)

8. (...)

9. Students enrolled in international mobility programmes at IPS, and who have returned to their countries of origin, shall remain there, completing the study programmes defined in the current Learning Agreements exclusively by online education (including assessments). Those who decided to stay in Portugal shall follow the plan of gradual return to face-to-face activities that will be defined by IPS Schools.

Instituto Politécnico de Setúbal, 27 April 2020.

The President,

(Prof. Doctor Pedro Dominginhos)
